DEPARTMENT OF LAW
Administrative Adjudication
Division #05-1052

Goals

The department continues to strive toward improving and expanding our job performance through updated technology, streamlined operations and improved tracking and measurement functions. Additionally, we will strive toward improving quality of life issues by working with issuing departments to effect proper issuance of summonses and enforcement capabilities.

1. Work with MIS to include Administrative Adjudication in Project IPAD. This project will provide IPADs and Printers to ticket writers that will be mounted in their vehicles, thereby creating electronic summonses and photos that will be automatically downloaded into the Adjudication System nightly. This would alleviate the necessity for pre-printed paper summonses saving the City thousands of dollars annually and will greatly streamline operations improving the efficiency of our office. This project will eliminate manpower hours spent scanning and verifying summonses and photos affording our staff with more time to address constituent calls and process hearings and payments. Furthermore, the fast turnaround will allow our department and the respondent to resolve the violation sooner, improving the quality of life in the neighborhood.
2. Continue to set up and conduct training sessions with issuing officers on the proper issuance of summonses with a goal toward improving the effectiveness of the summonses, improving compliance of violations and hearing outcomes.
3. Work with MIS and the City Clerk's Office to address unregistered dog violations and re-implementing the automatic issuance of summonses for nonrenewal of dog licenses.

Activities

1. Purchase, maintain, inventory and distribute Adjudication summonses to various city departments, including Street Sanitation, Police, License, Inspections, Dogs and Fire.
2. Update summonses as necessary to ensure that changes to fine structures and ordinances are accurate.
3. Research ordinances and work with issuing departments to update ordinances for municipal code violations.
4. Coordinate enforcement of municipal code violations with Public Works, Fire, License, Inspections, Dogs and Police Departments and other departments as appropriate.
5. Process summonses issued by various city departments in accordance with legal requirements, to include data entry and completion of service requirements of summonses.
6. Compile and maintain complete and accurate records relating to all charges, dispositions and associated activities relating to summonses.
7. Process late notices and answer all relevant phone, walk-in or mail inquiries regarding summonses.
8. Process and research payments of fines; reconcile payment errors from treasury and process appeal payments, appeal refunds and transfers and refunds for overpayment of summonses.
9. Accept pleas, set up and conduct hearings of Adjudication summonses issued for city code violations, including coordinating of appearances of witnesses, police officers and ticket writers as necessary to improve disposition of hearings.
