

Adaptive Reuse Permit Application to the Common Council

City of Buffalo, New York

Section 496-11.3.4 of the City Code: an Adaptive Reuse Permit allows certain uses for certain historic buildings to be adapted for new uses that may not otherwise be allowed in the zone.

Procedure

1. If not already completed, register the project with the Department of Permit and Inspection Services (DPIS) in Room 301 City Hall.
2. Complete this form.
3. Deliver three (3) copies of this form and any supporting materials to Room 1308 City Hall.
4. Pay fee of \$250 to the City Clerk. Checks payable to "City Clerk." Visa or MasterCard also accepted.
5. The City Clerk will review the Adaptive Reuse Permit and determine if it is complete. An application is complete if all questions on the form have been answered.
6. After the application is determined complete, the applicant will receive a Notice of Complete Application which includes the dates of public hearings. Until a Notice of Complete Application is received, the project will not be scheduled for a public hearing regardless of the date the application was submitted.
7. Ten (10) days prior to the scheduled public hearing, all applicants for Adaptive Reuse Permits must install a sign at the project site. A printable template of this sign is available at Room 1308 City Hall. Requirements and standards for this sign are found within the Posted Notice Section 496-11.2.2.C. of the City Code. The sign can be removed when all public hearings are complete/closed.
8. Attend the City Planning Board meeting to discuss your application for an Adaptive Reuse Permit.
9. The City Planning Board will review the application and make a recommendation to approve, approve with conditions, or deny the application, and forward the recommendation to the Common Council.
10. Attend the public hearing held by the Common Council to discuss your application for an Adaptive Reuse Permit.
11. The Common Council will review the application and make a decision to approve, approve with conditions, or deny the application.
